This combination of Danbuoy and Horseshoe conforms to the World Sailing Offshore Special Regulations and is a natural extension of the original inflatable Jon Buoy Danbuoy. This easy to fit solution comes complete with a high impact casing, rail mounting cradle, inflatable Danbuoy inflatable horseshoe, whistle and Danbuoy light. An optional light can also be fitted to the horseshoe.

The Jon Buoy range incorporate innovative Glo Lite technology.

Glo Lite uses innovative retro-reflective technology that significantly enhances the visibility of the hi-vis fabric, making it highly reflective and increases perception during dark conditions, thus aiding location, leading to reduced casualty time before recovery for a more positive rescue outcome.
