Gross weight: 0.39 kg

DATASHEET

GINGER

The GINGER is a versatile, ergonomic safety harness for working on board and offers maximum freedom of movement and comfort - whether in the mast, on deck or in port. The padded waist belt and adjustable leg padding ensure an ergonomic fit and high wearing comfort even during long periods of use. Color-coded leg loops and three metal buckles allow the harness to be put on quickly and precisely - even when wearing wet clothing. The innovative sliding bar centers the tie-in point, ensuring a stable working position with optimum balance and safety.

FEATURES
